RE: Careers Day, October 3rd

Dear Parents/Guardians,

St Monica's will be hosting our annual 'Careers Day' on Tuesday, 3rd October. The purpose of Careers Day is to introduce our pupils to a variety of careers in order to jumpstart their thinking about the future. It is never too early for pupils to start thinking about a career and it is important for our pupils to learn about the outside world they will one day enter. To make Careers Day a success: we need you.

We need volunteers who can come into their child's class and speak to the children for 15 minutes about their chosen career path on the day, followed by a Q&A with the children. This will entail a discussion on your journey you went to your career, what qualifications or training you received, and your day to day activities.

The children are welcome to come into school dressed as somebody in their chosen career, but this is optional. Normal clothes are a great option, and we can supply a name label with the career of their choice. Uniform or PE kits are also acceptable on the day.

If you can come into your child's year group, in person or via a Zoom call, please fill in the slip below and your child's teacher will liaise with you.

Best Regards

Mr J. Gouldbourne
Headteacher
