

St Monica's Harvest Festival 2023

Success for All within a Christ-Centred Community

Dear Parents/Carers,

For this year's Harvest Festival, we will be collecting donations of dried and tinned food to donate to those in need in our local community and our local food bank. We would be very grateful for any items you can offer. You can send these into school at any time between now and Friday 20th October.

Many thanks
