Kingsley & Co. Book Club Visit

Wednesday 17th April 2024

Dear Parents and Carers,

We are delighted that Kingsley & Co will be visiting St. Monica's on Friday 19th April to further enrich our reading offer here at St. Monica's. Kingsley & Co will be attending school with their **Book Club**, bringing with them a wide range of fantastic books suitable for all children from Reception through to Year 6.

During the day, all children will have the opportunity to visit the Book Club with their class to purchase a book to take home for only **£1**.

We are extremely grateful to Kingsley & Co for providing us with this opportunity. Our aim here at St. Monica's is to foster a lifelong love of reading, books and authors - there is nothing more powerful than a child choosing and reading a book they love.

This is a fantastic opportunity and we would love for all children to participate. If you are able to, please send £1 in to school with your child on Friday.

Yours sincerely,

Mr Gouldbourne

Headteacher
