**Dear families,**

Please see the table below to find out who your child's teacher will be next year. On Tuesday next week, your child will take part in a transition morning, spending a substantial amount of time with their new class teacher, learning all about them and what to expect in the exciting year ahead. In the meantime, teachers will be dropping into classrooms to say hello and begin getting to know their future pupils.

Children will be told today who their new teacher is, so they'll be able to share this with you when they come home. **Pupils will also be bringing home their reports tonight.**
