Tuesday 24th June

Dear Parents and Carers,

Thank you for your understanding about the cancellation of Sports Day this morning . We understand many parents had taken time off work to attend this key moment in the year and recognise the disappointment this may bring.

Unfortunately, the ground was waterlogged and the heavy rain meant slippery and dangerous conditions for children this morning. We did put into place Plan B, which was to continue in the hall, so the children were not disappointed.

We will keep an eye on the weather forecast over the next three weeks, and if we can put into place a parent Sports Day for Nursery, Reception and Year 1 before we finish, we will certainly do that with as much notice as possible.

Best Regards,

Mr J. Gouldbourne
