Year 3 - Stone Age Workshop

Monday 30th September

Dear Parents and Carers,

We are delighted to inform you that we have organised a Stone Age day for Year 3 tomorrow, **Tuesday 1st October**, to further enrich the children's learning of our current History topic, the Stone Age to Iron Age.

Past Productions will be coming into school, leading activities to inspire the children and help to bring our history to life. As part of the workshop, the children will join in a whole host of engaging and educational activities, including: a drama performance; learning about the history behind Stonehenge; making our own henge and creating salt dough arrowheads. We hope that the children will thoroughly enjoy the day and find it beneficial to their learning.

Keep your eyes peeled on our school Twitter account as we will be posting photos throughout the day.

Thank you for your continued support.

Miss Quick and Mrs Reardon

Year 3 Teachers
