

## Safer Internet Day - Tuesday 6th February

In Year 6, we celebrated Safer Internet Day by looking at trusted adults we can talk to. We gathered together to introduce the day with an assembly from Mr Gouldbourne discussing the theme. In our classes, we considered trusted adults we can tell at St Monica's and equally adults at home. We completed a 'hot seating' activity whereby children played the role of the adult, and the rest gave advice on how they would behave online.

Today is  
**Safer Internet Day**
