Monday 17th November 2025

Dear Parents and Carers,

On Friday 21st November, we will celebrate this superb subject with a day to remember.

We are inviting the children to come dressed as “Maths Rockstars”. Our pupils will participate in times-table battles such as: Battle of the Bands, Arena and Rock Slam. We will have competitions between classes and also competitions against other year groups - pupils will earn rewards through their knowledge of the times tables. It will be a day to celebrate “The Power of Maths”.

Nursery and Reception will focus on counting and number recognition, using games and songs to support learning. Year 1 will be looking at their number bonds to 10 and doubling activities.

Year 2 will be challenged on their 2, 5, and 10 times tables. Year 3 will be asked these plus the 3 and 4 times tables. Year 4 will focus on their 2, 3, 4, 5, 6 and 8 times tables. Years 5 and 6 are expected to know all their tables up to 12 x 12.

We will hold times tables competitions across all year groups, so would encourage the children to keep practising on TT Rock Stars. Times table recall is important in so many areas of the children’s maths work and we hope our Maths Day will celebrate this.

We will finish the day with a whole school assembly with rewards and a showcase of the best moments from the day.

We hope the children will have an enjoyable and memorable day, celebrating the importance of maths. Please do not go to any expense with costumes, be creative with what you have. PE Kits are also fine to wear - it’s the maths that counts!

Many thanks for your continued support,

St Monica’s Maths Team,

Miss Byrne, Mr Lynch and Mrs Reardon
