RE: Year 4 Social Signature Project

Dear Parents/Carers,

As part of our Year 4 Social Signature Project, we are focusing on ways we can support members of our wider community. This term, our class will be learning about homelessness and discussing how small acts of kindness can make a meaningful difference to others.

To support this learning, we will be collecting donations for The Whitechapel Centre in Liverpool, a charity that works to support people experiencing homelessness across the region. The centre provides vital services such as accommodation support, advice, and essential supplies for those in need.

If you would like to support our project, we would be very grateful for donations of items such as:

- Toiletries (toothpaste, toothbrushes, soap, deodorant)
- Warm clothing (hats, gloves, scarves, socks)
- Non-perishable food items
- Other small essentials that may help someone in need

An extensive list of possible donations can be found following this link:

<https://www.whitechapelcentre.co.uk/donate-goods.html>

Donations can be brought into school and given to the Year 4 class by Friday 20th March. All items collected will be delivered to The Whitechapel Centre to help support their work with people experiencing homelessness.

Taking part in this project will help the children develop empathy, compassion, and a sense of responsibility towards our community. Thank you in advance for your kindness and support.

If you have any questions, please feel free to contact the school.

Kind regards,

Year 4 Team
