RE: Thinking of Others Day

Dear Parents/Carers,

We are pleased to inform you that our school will be holding a special Wellbeing Day on **Friday 17th April**, focused on the theme of **“Thinking of Others.”** This day will promote kindness, empathy, and a strong sense of community across all year groups.

Children are invited to come to school wearing bright colours to express love, joy, individuality, and acceptance: values we are proud to nurture here in St Monica’s. Out of respect for the occasion, we kindly ask that children do not wear football kits on this day.

Throughout the day, pupils will take part in PSHE activities, encouraging them to reflect on how their actions can positively impact others and how they can live out these values in everyday life.

The day will begin with a whole-school assembly, followed by focused activities in the afternoon.

A special part of the day will be a blessing of a memorial bench by Father Ged, dedicated to a past pupil who embodied these values. This remarkable pupil’s motto was “Always think of others”, we will promote this message throughout the day in an age appropriate and compassionate way to mark this unforgettable person and her legacy.

We kindly invite families to make a voluntary donation, with all proceeds going to *Alder Hey Children’s Hospital* in support of their vital work.

We look forward to a positive and uplifting day for our school community.

Thank you for your continued support.

Yours sincerely,

Miss McGuckin
