Statement about the processing of biometric data

This statement confirms that, at **St Monica's Primary School**, we do not store or process any form of biometric data, such as fingerprints or retina scans.

The **governing board** and **data protection officer (DPO)** will review this statement on at least an **annual** basis. The next scheduled review date for this statement is **July 2027**

If the school does decide to store or process biometric data, a policy will be implemented for the processing of such data, which would be made available on **the school website**. Any changes made to the school's position on the processing of biometric data will be clearly communicated to all staff, parents and pupils.

If you have any questions about this statement, please contact the **DPO** via our School Office.

Next Review Date: July 2027
