Dear Parents and Carers,

Re - International School Collaboration – Lady Florence Convent School, India

We are delighted to be developing an international partnership with **Lady Florence Convent School in India** as part of the **RIDS (Recognition of International Dimension in Schools)** programme.

RIDS provides a framework for schools to develop international activities across the curriculum, including collaborative projects with partner schools and opportunities to involve the wider school community. Schools plan, carry out and evaluate a range of international activities.

As part of our partnership, children at St Monica's will have opportunities to share their learning and find out about school life in India. This will include exchanging letters and artwork, creating videos about our school and local area, and taking part in a **live Zoom meeting with pupils and staff from Lady Florence Convent School**.

As part of celebrating our partnership, **photographs and/or videos featuring participating children may be shared with Lady Florence Convent School and may be published on their school website in India**. Content may also be shared through St Monica's usual communication channels, including our school website and social media, in line with existing permissions.

We hope this will be an exciting opportunity for our children to develop their understanding of the wider world, learn about another culture and share what makes our own school and local community special.

If you are happy for your child to take part, you do not need to do anything.

If you DO NOT wish for your child to take part in this international collaboration, including appearing in photographs or videos which may be shared on Lady Florence Convent School's website, please contact the school office by Friday 10th October.

Children who do not take part will continue to be fully included in appropriate learning activities in school but will not appear in content shared with our partner school.

Thank you for your continued support. We are looking forward to developing this exciting international partnership and sharing our pupils' work with our partner school in India.

Yours Faithfully,

Miss Tew
